Agenda 3 To consider and approve profit allocation for the year ended 31 December 2023 and dividend payment

Fact and Rationale: The Company has the policy to pay dividends at the rate of not less than 40 percent of net profit after tax based on standalone financial statements and after legal reserves. Payment of dividends is subject to the Company's investment plans, conditions, and restrictions provided under its loan agreements or other relevant contracts (if any), financial conditions, and operating results, including other factors that may affect the Company. The Board of Directors of the Company may, from time to time, review and revise the dividend payment policy to be in line with the growth strategy of the Company or its subsidiaries (if any), requirements for capital and working capital, and any other factors as it may consider appropriate. The dividend paid shall not exceed the retained earnings as appearing on the Company's separate financial statements and shall be paid in accordance with relevant law.

According to the Company's financial statements, the net profit for the year 2023 was THB 1,534.50 million. Additionally, the net profit was completely allocated as a legal reserve, while no interim dividend was paid during 2023.

Opinion of the Board of Directors: The Board of Directors deemed it appropriate to propose to the Meeting to approve the annual dividend payment of the Company for the year 2023 at the rate of THB 0.38 per share (subject to any applicable withholding tax) for 3,232,042,300 shares, totaling THB 1,228,176,074.00 or equivalent to 80.04 percent of the net profit of the financial statements of the Company payable from the Company's net profit, which had already been paid a corporate income tax rate at 20%. This complies with the Company's dividend payment policy. An individual shareholder may apply for a tax credit from the annual dividend payment in accordance with Section 47 bis of the Revenue Code.

Dividend Payment Comparison

| | Year 2023 (Proposed) | Year 2022 | Year 2021 |
|------------------------------------|-------------------------|-----------|-----------|
| Net Profit (THB: million) | 1,534.50 | 2,724.76 | 2,600.22 |
| Number of Shares (million) | 3,232.04 | 3,232.04 | 3,232.04 |
| Dividend Payment Per Share (THB) | 0.38 | 0.55 | 0.55 |
| Total Paid Dividend (THB: million) | 1,228.18 | 1,777.62 | 1,777.62 |

The Company has set the record date to determine the names of shareholders who are entitled to receive the dividend on Tuesday, 30 April 2024, and the dividend will be paid on Tuesday, 21 May 2024.

However, the right to receive the dividend payment remains uncertain until the shareholders approve it at this 2024 Annual General Meeting of Shareholders.

Voting: To approve this matter, a resolution must be passed by a majority vote of the shareholders who attend the meeting and cast their votes.

Agenda 4 To consider the election of the directors to replace those who retire by rotation

Fact and Rationale: In accordance with Section 70 of the Public Limited Company Act B.E. 2535 (1992) (as amended) and Article 17 of the Company's Articles of Association, the director shall be appointed by shareholders' meeting in accordance with the specified criteria and procedure. Moreover, Section 71 of the Public Limited Company Act B.E. 2535 (1992) (as amended) and Article 18 of the Company's Articles of Association stipulated that one-third of the Company's directors shall be retired by rotation at the event of each Annual General Meeting of Shareholders. If the number of directors cannot be equally divided into three parts, the number of directors closest to one-third shall retire. Still, the retired directors would be eligible for re-election.

At this 2024 Annual General Meeting of Shareholders, there are four directors who are due to retire by rotation, the names of which are as follows:

- | | |
|-------------------------------|-----------------------------------|
| 1. Mrs. Tongurai Limpiti | Chairman / Non-Executive Director |
| 2. Mr. Satorn Topothai | Director / Non-Executive Director |
| 3. Mr. Vasant Thienhom | Director / Independent Director |
| 4. Mrs. Maneerat Srisaovajati | Director / Independent Director |

The Company announced on its website from 16 October 2023 to 30 November 2023 to invite the shareholders to nominate qualified persons to be elected as directors according to the Company's criteria. The Company also invited the shareholders by an announcement through the electronics channel of the Stock Exchange of Thailand on 12 October 2023. However, it appeared that on the expiration of the time specified no shareholders nominated any candidates for election as the Company's directors.

Opinion of the Nomination and Remuneration Committee: The Nomination and Remuneration Committee (excluding the directors with related interest) considered qualified candidates to be nominated for election as directors of the Company based on their qualifications, expertise, ability to freely express opinion, experience, and performance of such persons, as well as the continuous service as a director. This time, all due to retired directors are fully qualified directors and do not have prohibited characteristics as specified by the law. They all have experience and knowledge, which suits the Company's business operations well. Additionally, they all express their opinion independently, which is beneficial to the Company. They all have performed their duties responsibly, with caution, and with honesty, as well as using knowledge, abilities, and experiences in providing comments and suggestions that are beneficial to the Board and Management as well. In addition, the two independent directors due to retire by rotation this time have continuous terms of office not exceeding 9 years, which is in line with the corporate governance principles, and it is accepted that their independence is sufficient.

All four retiring directors have knowledge, experience, and specific expertise in line with the Board Skill Matrix. Mrs. Tongurai Limpiti has been the Chairperson of the Board of Directors with excellent manners and has received recognition from all directors. She also possesses finance, accounting, business management, and innovation skills. Mrs. Tongurai Limpiti also has past working experience in executive positions at the Bank of Thailand, and as a director of the listed companies and large financial institutions. Mr. Satorn Topothai specializes in business administration and law, understands the nature of the Company's business, and continues to provide useful legal advice beneficial to the Company. Mr. Vasant Thienhom currently holds the position of independent director and Chairman of the Audit Committee and acts independently when it comes to his duty. He also has knowledge and expertise in regulatory rules, experience, and recognition in working in regulatory agencies.

However, the Company was informed by Mrs. Maneerat Srisaovajati of her intention not to extend the term of office due to personal reasons. Therefore, the Nomination and Remuneration Committee selected a qualified person to fill the position of replacement director to propose to the shareholders' meeting by allowing shareholders to nominate a qualified person and inviting any board members to nominate individuals to be considered for election. The Nomination and Remuneration Committee also considered the list of persons from the directors' pool of the State Enterprise Policy Office (SEPO) and the Thai Institute of Directors Association (IOD).

The Nomination and Remuneration Committee carefully considered the proportion of independent directors, consecutive terms of service, gender diversity, and the overall Board Skill Matrix. To ensure smooth continuity of the business operation and for the Company's best interests, the Nomination and Remuneration Committee then viewed that all three retiring directors, 1) Mrs. Tongurai Limpiti, 2) Mr. Satorn Topothai, and 3) Mr. Vasant Thienhom, are qualified and suitable for re-election to be the Company's directors for another term of office. The Nomination and Remuneration Committee also proposed Mrs. Sirivipa Supantanet, who is an expert in finance and accounting, law, business administration (human resources management), and governance, risk and compliance (GRC), to be elected as a new director replacing Mrs. Maneerat Srisaovajati. The Committee believes that having Mrs. Sirivipa Supantanet as an independent director would fulfill the Board Skill Matrix of the Company perfectly.

Opinion of the Board of Directors: The Board of Directors (excluding the directors with related interest) considered the recommendation of the Nomination and Remuneration Committee, taking into consideration the appropriateness and the best interests of the Company, and viewed that all three the aforementioned directors, who are due to retire by rotation and a newly nominated person, Mrs. Sirivipa Supantanet, have all of the required qualifications and do not possess any prohibited characteristics prescribed by law. They are expert, knowledgeable, competent, and independent, having a clear vision and extensive experience aligned with the Company's strategy. The Board of Directors, therefore, considered and viewed that the two persons nominated as independent directors are qualified in accordance with relevant laws and the requirements relating to the Company's Independent Director Definition.

With all the above mentioned, the Board of Directors deemed it appropriate to propose to the Meeting to re-elect all three retiring directors, 1) Mrs. Tongurai Limpiti, 2) Mr. Satorn Topothai, and 3) Mr. Vasant Thienhom to be the Company's director for another term of office, and to elect the nominated person, Mrs. Sirivipa Supantanet, to be the Company's director. This is in accordance with the criteria for nomination of the Company's director. Profiles of the retiring directors to be re-elected as the Company's directors for another term of office and of the nominated person to be elected as the Company's director are set out in *Enclosure 1*.

Voting: To approve this matter, a resolution must be passed in accordance with the criteria and procedures described in Article 17 of the Company's Articles of Association as follows:

- (1) Each shareholder shall have one vote for each share held.
- (2) Each shareholder shall cast votes to elect one or several directors up to the number of directors to be elected at such meeting.
- (3) In case of electing several directors, each shareholder shall cast votes in the number held by him to elect each of the directors and shall not divide his votes and allocate them to any particular candidates.
- (4) The candidates shall be ranked in order descending from the highest number of votes received to the lowest and shall be appointed as directors in that order until the required number of directors to be elected is met. Where the votes cast for candidates in descending order are tied, the chairman of the meeting shall have a casting vote so that the required number of directors to be elected is met.

However, to comply with the principles of good corporate governance and best practices of listed companies, voting in this agenda will be done individually. Each nominated director must receive more than half of the votes of the shareholders who attend the meeting and vote.

Agenda 5 To consider the determination of the directors' remuneration for the year 2024

Fact and Rationale: The Company has a policy to consider the remuneration structure of directors every year, considering factors such as current economic conditions, the company's business and performance, market and industry trends, the duties and responsibilities of the Board, and relevant rules and regulations, and then propose it for approval at the Annual General Meeting of Shareholders.

Opinion of the Nomination and Remuneration Committee: The Nomination and Remuneration Committee considered and viewed that the current directors' remuneration was just adjusted and approved by the Shareholders' Meeting in 2023 and it is still appropriate referring to the study results of TRIS Corporation Co., Ltd. (independent external consultant), benchmarking and peer comparison, and studying information from Directors Compensation Survey of Thai Institute of Directors (IOD), as well as considering the roles and responsibilities of the Board and its sub-committees, and the current economic conditions in the Company's business sector which have not changed significantly compared to 2023. Therefore, the Nomination and Remuneration Committee deemed it appropriate to propose to the Board of Directors to further propose to the Meeting to approve the directors' remuneration for the year 2024 at the same rate as 2023's, with the following details:

1. Monetary Remuneration

2. Other Non-Monetary Remuneration

None (same as the year 2023)

Opinion of the Board of Directors: The Board of Directors, with the recommendation of the Nomination and Remuneration Committee, considered the matter by taking into consideration the duties and responsibilities of the Board of Directors and its subcommittees as well as the current business operating results of the Company, the appropriateness when benchmarking with the Company's business sector, along with relevant economic and industry conditions. Therefore, the Board of Directors deemed it appropriate to propose to the Meeting to approve the directors' remuneration for the year 2024 as proposed above.

Voting: To approve this matter, a resolution must be passed by the vote of not less than two-thirds of the total votes of shareholders attending the meeting.

Agenda 6 To consider the appointment of the auditor for the year 2024 and the determination of the audit fee

Fact and Rationale: To comply with Section 120 of the Public Limited Company Act B.E. 2535 (1992) (as amended) and Article 47 of the Company's Articles of Association, which stipulates that the Annual General Meeting of Shareholders shall elect the auditor and fix the audit fee. The retiring auditor may be re-elected. The auditor shall not be the Company's director, staff member or employee, or a person with any position in the Company. The appointment of the auditor shall be on a rotation basis pursuant to the criteria prescribed by the securities and exchange law and/or other relevant laws.

Opinion of the Board of Directors: The Board of Directors, as proposed by the Audit Committee, considered the auditor from experience, standard, and working efficiency, including expertise in auditing, the independence of auditors, and auditors' fee, as well as the work of the auditors of EY Office Limited (the "EY Office") in 2023 to be satisfactory. The proposed auditors are knowledgeable and have a sophisticated understanding of the Company's business, as well as experience and expertise in auditing. Therefore, the Board of Directors deemed it appropriate to propose to the Meeting to consider and approve as follows:

1) Appoint either one of the following auditors of the EY Office to be the Company's auditor for the financial year ended 31 December 2024 (If approved, it will be the fifth consecutive year).

- | | |
|--|--------------------------------------|
| 1. Miss Ratana Jala | Certified Public Accountant No. 3734 |
| 2. Miss Somjai Khunapasut ¹ | Certified Public Accountant No. 4499 |
| 3. Miss Rachada Yongsawadvanich | Certified Public Accountant No. 4951 |
| 4. Mrs. Saranya Pludsri ² | Certified Public Accountant No. 6768 |

Note: ¹ Miss Somjai Khunapasut was the auditor responsible for auditing and expressing opinions on the Company's Financial Statements for 2020-2023.

² Mrs. Saranya Pludsri Is an additional certified auditor to be proposed for the first year.

If the Meeting approves this agenda item, it will be the fifth consecutive year for the auditor from the EY Office to be the Company's auditor. Each auditor's profile is shown in Enclosure 2.

The aforementioned auditors are not directors, staff, or employees of the Company, nor do they hold any position in the Company. In addition, the proposed auditors and the EY Office do not have any relationship with or interest in the Company, including its management, major shareholders, or any of its related persons, which may affect the independent performance of the EY Office and auditors.

2) If the aforementioned auditors are unable to perform their duties, the EY Office may procure another auditor to audit and express opinions on the Financial Statements of the Company in place of the aforementioned auditors. Such auditors shall perform their duties according to the Company's Articles of Association.

3) Determine the audit fee for the year 2024 in the amount of THB 7,980,000. The proposed audit fee is the same rate as 2023's. Furthermore, for the year 2023, there was no non-audit fee which was paid to the auditors.

The above-mentioned proposed audit fee is duly for the Company self, and there is no audit fee to be paid to subsidiary as the Company has no subsidiary.

The Board of Directors shall ensure the Company can prepare financial statements on time.

Voting: To approve this matter, a resolution must be passed by a majority vote of the shareholders who attend the meeting and cast their votes.

Agenda 7 To consider and approve a 1-year extension of the issuance and offering of the Company's previously approved debentures limit for the year 2023-2024 in the remaining amount of THB 22,300 million with the extension terminating on 31 December 2025, and the issuance and offering of the Company's debentures for the year 2024-2025 in the additional amount of not exceeding THB 10,000 million

Fact and Rationale: Issuance and offering of debentures is to be utilized as the Company's working capital and/or for the business needs and/or business expansion, including debt repayment (refinance) to reduce financial costs, or for other purposes as the Board of Directors deems appropriate.

The 2023 Annual General Meeting of Shareholders approved the issuance and offering of the Company's debenture for the year 2023-2024 in the amount of not exceeding THB 25,000 million. In the year 2023-2024, the Company has issued and offered the debenture for this period as necessary with the amount of only THB 2,700 million, there is still THB 22,300 million remaining in the credit line. Therefore, it is considered appropriate to propose extending the period for using the credit line for issuance and offering of the Company's debenture for the year 2023-2024 for another year. The remaining amount is proposed to expire on 31 December 2025, with all the same terms and conditions as approved by the 2023 Annual General Meeting of Shareholders on 24 April 2023 - *Agenda No.8 To consider and approve the issuance and offering of the Company's debentures for the year 2023-2024. Enclosure No. 3*

Moreover, the Company intends to issue and offer debentures for the year 2024-2025 in the additional amount of not exceeding THB 10,000 million by gradually issuing such debentures as deemed appropriate (the proposed amount for 2024-2025 reflects the remaining credit line of THB 22,300 million from the proposed one-year extension of the Company's debenture as mentioned above).

Opinion of the Board of Directors: The Board of Directors deemed it appropriate to propose to the Meeting to consider and approve as follows:

1. A 1-year extension of the issuance and offering of the Company's previously approved debenture limit for the year 2023-2024 in the remaining amount of THB 22,300 million, with the extension terminating on 31 December 2025, under the terms and conditions originally approved by the 2023 Annual General Meeting of Shareholders on 24 April 2023 – *Agenda 8 To consider and approve the issuance and offering of the Company's debentures for the year 2023-2024.*

2. The issuance and offering of the Company's debentures for the year 2024-2025 in the additional amount of not exceeding THB 10,000 million as above-mentioned details. The Company may, from time to time, gradually issue and offer such debentures as it deems fit. In addition, the Meeting shall be proposed to authorize the Board of Directors, or any person appointed by the Board of Directors to consider fixing the offering price, interest rate, tenor, conditions, and other details related to the issuance and offering of such debenture as deems fit.

Voting: To approve this matter, a resolution must be passed by the vote of not less than three-fourths of the total votes of shareholders who attend the meeting and have the right to vote.

Agenda 8 Other matters (if any)

The record date on which the Company relied to determine the names of shareholders who have the right to attend the 2024 Annual General Meeting of Shareholders was on Friday, 8 March 2024, in accordance with Section 89/26 of the Securities and Exchange Act B.E. 2535 (1992).

The Company invited shareholders to propose the matter to be included as an agenda for the 2024 Annual General Meeting of Shareholders or to nominate qualified candidates to be considered for election as the Company's directors in accordance with the good corporate governance principles on protection of shareholders' rights.
